<b>Call to Order</b>	The Regular Meeting of the Board of Commissioners of Public Hospital District No. 2, Snohomish County, was called to order at 8:01 a.m. by President Knowles.
<b>Approval of Minutes</b>	<b><i>Motion was made, seconded and passed unanimously to approve</i></b> the minutes of the special board meeting on September 26, 2020. <b><i>Motion was made, seconded and passed unanimously</i></b> to approve the minutes of the regular board meeting on September 26, 2020. <b><i>Motion was made, seconded and passed unanimously</i></b> to approve the minutes of the special board meeting on October 14, 2020.

**Superintendent Report**

Dr. Edwards reported on the following items:

1. Verdant Operations update: See the Verdant Program & Marketing Highlights sheet for the activities that are currently underway.
2. Outreach to Edmonds Rotary, Homage, and Domestic Violence Services has been occurring. Thank you to Ms. Piplic and Ms. Waldin for their work on the grant modifications. The program work will transition to Ms. Reese.
3. Next Steps for Value Village property – the property is currently empty and car camping has been occurring in the parking lot. Current lease expires December 31, 2021.

Verdant has received a request from the City of Edmonds and the City of Lynnwood to use the property as a cold weather shelter with COVID restrictions and ready to use by Thanksgiving. Use will be inconsistent as the shelter is weather dependent and open when the temperature drops below 32 degrees for four hours or more but an estimate of 25 nights is possible. Superintendent Edwards will look in to concerns about proper ventilation and use of air filters.

Verdant also received a request from Holly House in Lynnwood to use the property for Holiday gift distribution. Commissioner Wilson mentioned that the Verdant Community Wellness Center could also be used for this gift distribution project.

Mr. Berg is reviewing the Value Village lease from 1997 to current to see if any restrictions on building usage and also looking at a lease forgiveness option.

Other interested developers, a gym owner, and South County Fire are also interested in the property. President Knowles noted that no action would be taken on the Value Village property at this meeting.

Mr. Berg joined the meeting at 8:43 a.m. and gave the board the two options for the lease:

1. Leave the current lease in effect and Verdant can negotiate the right to use the space,
2. Negotiate the termination of the

existing lease and tenant would pay some amount of the remaining lease that would have ended in December 2021. If the property is used for a shelter, the zoning and land use permit would need to be examined and the responsibility for the shelter would need to be considered.

Dr. Edwards noted that a zoning variance could be obtained from the City of Edmonds, Volunteers of America would be the fiscal agent for the staffing of the shelter, and there is possible funding from Snohomish County. Commissioners discussed their preference to not leave the building empty but use it for a cold weather shelter this winter as long as extensive tenant improvements are not needed.

4. Feasibility study for pediatric 16-bed inpatient behavioral health facility will cost approximately \$14,000. All commissioners agreed that they need the data from a study to make a decision. Dr. Edwards will move forward with the study (E:63:20)

**Executive Committee  
Report**

President Knowles noted that the committee met on October 21, 2020 to review the agenda for the October 28, 2020 board meeting and to work on the agenda for the December 1, 2020 special meeting. No action was taken.

**Finance Committee  
Report**

The committee met on October 20, 2020. Ms. Ash reviewed the financial statements and cash activity for September 2020 (E:64:20).

**Authorization for  
Payment of Vouchers  
& Payroll**

Warrant Numbers 14437 through 14485 for September 2020 for payment in the amount of \$91,081.66 were presented for approval (E:65:20) by Commissioner Langer. **Motion was made, seconded and passed unanimously to approve.**

**Resolution 2020:07  
Approving dollar  
amount and  
percentage increase  
in regular property tax  
levy for calendar year  
2021**

***Motion was made, seconded and passed  
unanimously to approve*** Resolution 2020:07  
Ms. Ash will revise Exhibit A of the resolution before  
signatures. Commissioner signatures on the resolution  
will be obtained via Docusign.

**Resolution 2020:08  
Approving and  
adopting the District's  
budget and regular  
property tax levy for  
calendar year 2021  
and approving the  
limit factor for the  
District's regular  
property tax levy in  
calendar year 2021**

***Motion was made, seconded and passed  
unanimously to approve*** Resolution 2020:08  
All commissioners were not in favor of the substantial  
need and inflation rate of 1% but preferred the .602%  
rate for 2021.

**Resolution 2020:09  
Fixed Asset Disposition**

***Motion was made, seconded and passed  
unanimously to approve*** Resolution 2020:09. Ms. Ash  
noted that the surplused asset is a Siemens CT  
scanner originally purchased in 2005 for \$807,000 and  
with a five year life span.

**Program Committee  
Update**

The Program Committee met on October 22, 2020.  
Commissioner Distelhorst welcomed Ms. Reese to  
Verdant and indicated that there are 20  
modifications to contracts totaling \$6,352,823 and 3  
Superintendent Discretionary fund programs totaling  
\$58,200.  
See Exhibit E:66:20 for the complete list.  
No conflicts of interest were reported by the  
commissioners.  
Commissioners discussed if current grants should  
continue to be renewed. Program Committee  
prefers grant extensions to 2021 rather than renewals  
as there is so much uncertainty around COVID-19  
and the grant extensions will give Verdant time to re-  
assess its funding priorities.  
Commissioner Wilson inquired about the Center for  
Human Services (CHS) and THS grants. Dr. Edwards  
replied that CHS is doing more outreach and their

deliverables have been adjusted by 25%. THS depends on CHS for referrals but have also been doing more outreach and publicity. November 10, 2020 is their next report date to Verdant which will be shared with the Program Committee. Program Committee decided to sustain the grant funding to THS until December 31, 2020 and re-evaluate at that time.

Commissioner Distelhorst presented the renewal application for approval.

**Program Investment  
 Recommendations**

***Motion was made, seconded and passed unanimously to approve*** the extension of current contract and funding level for the Edmonds Senior Center Enhance Wellness/PEARLS/Foot Care Program in the amount of \$135,324 for November 1, 2020 to December 31, 2021.

**CEO Roundtable  
 Discussions**

Dr. Edwards reported that there will be a total of six discussion meetings with community leaders. Three of the six meetings will be public meetings as there will be a quorum of commissioners in attendance: Food Insecurity, Domestic Violence, and Housing. Commissioner Knowles will send some names of potential experts in Vision Care to Dr. Edwards.

**Verdant Program  
 Highlights**

See Exhibit 67:20 for updates on activities at the Verdant Community Wellness Center, Multicultural Program and Outreach, Community Social Worker, and Marketing highlights for September and October 2020. A winter edition of The Canopy is coming soon.

**Public Comments**

None

**Commissioner  
 Comments**

All commissioners thanked the staff for their work on grants and the Value Village property and welcomed Ms. Reese to Verdant.

**Adjournment**

The meeting was adjourned at 9:05 a.m.

## **Proposed Scope of Work**

Evaluate the feasibility of a proposed 16-bed behavioral health hospital located in Southwest Snohomish County, including Snohomish County Public Hospital District No. 2, serving children and adolescents, ages 5 to 17. The analysis would focus on an evaluation of the South Snohomish market, the availability of child and adolescent psychiatric beds to South Snohomish residents, utilization projections, and financial performance. These are described briefly below.

## **Project Description**

- 16-bed behavioral health center.
- Confirm site for proposed facility.
- Serve patients aged 5 to 17 years old.
- Confirm program/service mix for Inpatient and outpatient care.

## **Project Cost Estimates**

Phase 1. Market Analysis and Determination of Need = \$8,000

Phase 2. Financial Evaluation and CON Regulatory Analysis = \$6,000

Phase 3. Certificate of Need Preparation and Submittal; Not estimated at this time. It is unclear if CON is required.

## **Phase 1. Market Analysis and Determination of Need**

*Estimated project cost = \$8,000*

Analysis will begin with a brief market overview of the Snohomish and Southwest Snohomish planning areas and include a demographic snapshot and estimates of medical use rates for outpatient behavioral health facilities and inpatient facilities with a focus on behavioral health care. Market overview would also include a patient origin analysis, that is, where patients receive behavioral health care. This data is available for inpatients, by age, by site of care. A literature review to assess and confirm utilization use rates and trends will support the above analyses.

There are ten inpatient psychiatric hospitals in Western Washington, and another 19 acute care hospitals with psychiatric units. Of the latter, at least four do not report any psychiatric beds or patients served. Market analysis would include evaluation of supply of inpatient psychiatric beds available to Snohomish residents, with a focus on facilities treating children and/or adolescents. Initially it appears three Western Washington hospital facilities treat adolescents, and one facility treats children under the age of 12. These include Smokey Point Behavioral Hospital in Snohomish, Fairfax Behavioral Health Kirkland in King, St. Anne Medical Center in King, and Navos in King.

From the market assessment and compilation of behavioral health use rates, estimates of demand will be prepared, then compared to supply estimates. In this sense, we would construct a utilization model to estimate planning area resident need and reasonable patient projections. The utilization models will test different scenarios of utilization assumptions.

---

#### I. General Market Analysis

- Service Area definition.
- Historical and projected population by demographic group (age, sex).

#### II. Behavioral Health

- Identify existing providers and bed supply count in surrounding region.
- Historical trends in inpatient care for behavioral health services.
  - Analysis of Washington State's hospital discharge database, Comprehensive Hospital Abstract Reporting System (CHARS). Focus on cases classified under major diagnostic category (MDC) 19 (psychiatric) or MDC 20 (substance abuse / chemical dependency).
  - Out-migration.
  - Patient origin.
  - Payor mix.
  - Service area use rate compared to other comparable areas in Washington State.
- Analyze other resources (e.g. N-MHSS, N-SSATS) that may give indication of existing outpatient programs available in Service Area and surrounding region.
- Regulatory analysis, including what is subject to full CON-review or eligible for exemption.

#### III. Utilization Projections

- Inpatient: distinguish between psychiatric (MDC 19) and substance abuse / chemical dependency (MDC 20).

#### IV. Determination of Need

- Evaluate overall determination of need for new behavioral health hospital in South Snohomish County based on utilization projections.

### **Phase 2. Financial Evaluation and CON Regulatory Analysis**

*Estimated project cost = \$6,000*

This phase would build upon Phase 1 models. Estimates of utilization for different program elements will be translated into a revenue and expense model. These estimates will be prepared from our experience with similar models, from available, public information and Client feedback. Financial models would include staffing models, revenue and expense projections, including expenses associated with capital expenditure estimates. Forecast models would include sensitivity tests of key model assumptions and drivers, such as utilization, over a forecast period of five years.

---

#### V. Financial Modeling and Evaluation

- Compile necessary revenue and expense statistics.
- Develop pro forma financial statements, including a forecast of the income statement and cash flow statement. A balance sheet can also be developed if requested.
- Perform discounted cash flow analysis.
- Conduct sensitivity tests to assess impact on key financial measures such as net present value (NPV), internal rate of return (IRR), and breakeven / payback period.

#### VI. CON Regulatory Analysis.

- Given determination of CON regulations from above, this step will either be a CON application or a CON exemption request.

#### ***Notes***

1. Project cost estimates include time for client communications and meetings.
2. Costs regarding development of a CON application are not included in either phase above.

### III. Grant Requests

1. Edmonds Senior Center – Enhance Wellness/PEARLS/Foot Care Program	Year 1	Year 2	Year 3
	\$120,000	124,500	129,000
<p>A request to renew the Enhance Wellness/PEARLS/Foot Care program run by the Edmonds Senior Center, which is currently funded at \$116,000 per year. The Enhance Wellness program is an evidence-based, motivational program to help seniors reduce the impact of chronic conditions on their health. Either the social worker or the nurse on staff work with each participant to create a Health Action Plan to help the participant meet their specific goal over a 6-month period. PEARLS is an evidence-based program designed to reduce depression symptoms and improve the quality of life in older adults through 6-8 in-home sessions using brief behavioral techniques. Funding also supports other services provided by the EW social worker and nurse to callers/visitors, coordinated support groups, palliative/end-of-life care workshops, Living Well with Chronic Conditions/Diabetes/Pain Workshops, Aging Mastery Program, Powerful Tools for Caregivers, and the Foot Care Clinic. Due to COVID-19, the senior center has moved the majority of its programs online and is offering virtual programs and appointments to participants until phase 4 of the Safe Start plan.</p>			
<b>Expected Results</b>	<p>The program will track:</p> <ul style="list-style-type: none"> <li>- Unduplicated participants served annually (n=833)</li> <li>- Number of participants who improved or maintained in their Enhance Wellness chosen health area (n=69)</li> <li>- Number of participants that engage in physical activity annually (n=27)</li> <li>- Number of participants that self-reported a decrease in the number of days in the hospital (n=96)</li> <li>- Number of PEARLS program participants that achieved a response, meaning their PH-Q depression score decreased by at least half, and/or achieved remission, meaning they no longer had any cardinal symptoms of depression (n=17)</li> </ul>

**Addressing Food Insecurity:**

- Distributed 1150 Fruit & Veg. Vouchers since April, 2020 to food insecure residents thru 7 partners
- DOH state-funded Food Insecurity Special Project - Finishing the 2020 cohort & planning for a 2021 virtual cohort. Recruiting families with school age children in partnership with Lynnwood Food Bank.

**Modifying programming to serve vulnerable, at-risk populations virtually:**

- Monthly Diabetes Support: 10/21/20 *Updates on Medications to Manage Diabetes* – 11 participants (a unique opportunity to learn from Pharmacists how the standard drugs + new drugs work to manage diabetes)

**Offering behavioral health resources for the community virtually:**

- 8-week Grief & Loss Support Group: 9/1–10/20 – 13 participants (100% attended every session) (this group normalizes grief by hearing/responding to one another's experiences, learning they are not alone)
- Offering COVID monthly telehealth counseling for residents experiencing heightened anxiety/depression through December 2020 (up to 10 individualized sessions for 20 participants to address behavioral health issues exacerbated by COVID & social isolation)

**Virtual Programming:**

- Bang for your Buck: delicious recipes with budget-friendly foods 10/8/20 – 19 participants (participants were introduced to the health benefits of lentils along with tips & recipes to stretch food dollars)
- What's for Dinner: Ideas & Recipes to Expand Your Menu Options 10/13/20 – 12 participants (a group discussion facilitated by a Dietitian who shared recipes/strategies to incorporate healthier food options)
- Oct/Nov schedule includes: 4 nutrition education classes, including a 3-part series on Cooking with Confidence to promote healthier eating, a 4-week diabetes education series and diabetes support group

Note: Sue Waldin is assisting with 8 grant modifications and working with 4 grantees on COVID funding and has led the effort to bring on a bilingual Community Resource Advocate partnering with VOA and Edmonds College.

**Verdant Community Social Worker Highlights: October 2020  
Nancy Budd, Community Social Worker**

- Attended Lynnwood Cops and Clergy meeting on September 24, 2020. This quarterly meeting was established about two years ago, to unite faith-based leaders and the police department with the goal of building trust throughout our diverse religious community. Last year, LPD attempted to offer Mental Health First Aid training to this faith based group, but did not find the funding. I have placed in the 2021 budget funding to provide this group with this training, which will be held virtually on January 14, 2021. I presented to the group this opportunity, as well as discussed suicide prevention and awareness.
- As a member of the Snohomish County Community Behavioral Health Committee facilitated through Providence, we are focused on understanding and addressing current gaps in behavioral health care throughout the county. I am a member of a sub-committee, focused on reducing mental health stigma. In recognition of Suicide Prevention month, we developed a suicide prevention flyer and

distributed it throughout the county. The targeted recipient pool was community wide residents, with a focus on small businesses such as convenient stores, gun/pawn shops, pet shelters, etc. Other subgroups are focusing on seamless care, removing barriers and improving access to care. More recently, we have been focusing on the mental health crisis during the coronavirus pandemic.

- Case Management – continuing support for 8 residents with complex medical and behavioral health conditions.

Promoting virtual programs increased this month and is a high priority for the Marketing department moving forward. The winter edition of The Canopy is also in development, with messaging focused on COVID-related needs and sharing stories of our impact. The Marketing department has also been focused on grant modifications and supporting staff transitions.

**PUBLIC HOSPITAL DISTRICT NO. 2  
SNOHOMISH COUNTY, WASHINGTON  
RESOLUTION NO. 2020-07**

A RESOLUTION of the Board of Commissioners (the "Board") of Public Hospital District No. 2, Snohomish County, Washington (the "District"), approving the dollar amount and percentage increase in the District's regular property tax levy for calendar year 2021.

WHEREAS, RCW 84.55.120 requires a taxing district, other than the state, that collects regular levies to hold a public hearing on revenue sources for the district's following year's current expense budget; and

WHEREAS, RCW 84.55.120 further requires the hearing to include consideration of possible increases in property tax revenues and requires that the hearing be held prior to the time the taxing district levies the taxes or makes the request to have the taxes levied; and

WHEREAS, RCW 84.55.120 authorizes the taxing district to hold a public hearing in conjunction with its annual budget hearing required by RCW 70.44.060(6); and

WHEREAS, a hearing in compliance with RCW 84.55.120 and RCW 70.44.060(6) was held on October 14, 2020; and

WHEREAS, the Board, after hearing and duly considering all relevant evidence and testimony presented, determined that the District requires an increase in property tax revenue from the previous year, in addition to that resulting from the addition of new construction, increases in assessed value due to construction of electric generation wind turbine facilities classified as personal property, improvements to property and any increase in the value of state-assessed property, in order to discharge the expected expenses and obligations of the District; NOW, THEREFORE,

BE IT RESOLVED by the Board of Commissioners of Public Hospital District No. 2, Snohomish County, Washington, as follows:

Section 1. The Board hereby determines that the District requires a regular levy in calendar year 2021 of \$2,429,561.53, which amount is exclusive of the additional tax revenue resulting from the addition of new construction, increases in assessed value due to construction of electric generation wind turbine facilities classified as personal property, improvements to property and any increase in the value of state-assessed property, and amounts authorized by law as a result of any refunds made, in order to discharge the expected expenses and obligations of the District.

Section 2. The Board hereby approves an increase in the District's regular property tax levy for calendar year 2021 in the amount of \$14,538.44, which is a percentage increase of 0.602% from calendar year 2020. This increase shall be in addition to the increase in tax revenue resulting from the addition of new construction, increases in assessed value due to construction of electric

generation wind turbine facilities classified as personal property, improvements to property and any increase in the value of state-assessed property and amounts authorized by law as a result of any refunds made.

Section 3. The Superintendent is directed to certify to the County Assessor, no later than November 30, 2020, a copy of this Resolution showing its adoption; and to perform such other duties as are necessary or required by law to the end that the maximum levy capacity available to the District under chapter 84.55 RCW, as determined by the Washington State Supreme Court, is banked for use in future years.

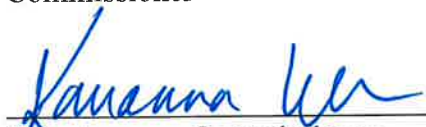

ADOPTED AND APPROVED by the Board of Commissioners of Public Hospital District No. 2, Snohomish County, Washington, at an open public meeting thereof, this 28th day of October 2020, the following commissioners being present and voting in favor of the resolution.

2. A quorum of the members of the Commission was present throughout the meeting and a majority of those members present voted in the proper manner for the adoption of the Resolution.

IN WITNESS WHEREOF, I have hereunto set my hand this 28<sup>th</sup> day of October, 2020.

PUBLIC HOSPITAL DISTRICT NO. 2  
SNOHOMISH COUNTY, WASHINGTON

  
\_\_\_\_\_  
Secretary of the Commission

**PUBLIC HOSPITAL DISTRICT NO. 2  
SNOHOMISH COUNTY, WASHINGTON  
RESOLUTION NO. 2020-08**

A resolution of the Board of Commissioners (the "Board") of Public Hospital District No. 2, Snohomish County, Washington (the "District"), approving and adopting the District's budget and regular property tax levy for calendar year 2021 and approving the limit factor for the District's regular property tax levy in calendar year 2021.

WHEREAS, RCW 70.44.060 requires the Superintendent of the District (the "Superintendent") to prepare a proposed budget of the contemplated financial transactions of the District for the ensuing year and to file the budget in the records of the Board on or before the first day in November; and

WHEREAS, RCW 70.44.060 further requires the District to publish public notice of the proposed budget and the date and place of a hearing on the budget, which is required to be held on or before the fifteenth day of November, for two consecutive weeks in a newspaper printed and of general circulation in Snohomish County; and

WHEREAS, in compliance with the requirements of RCW 70.44.060, the Superintendent has prepared, filed and provided notice of the District's proposed 2021 budget, which proposed budget is attached hereto as Exhibit A (the "2021 Legal Budget"); and

WHEREAS, the Board held a public hearing on the 2021 Legal Budget on October 14, 2020, in compliance with the requirements of RCW 70.44.060 and RCW 84.55.120; and

WHEREAS, RCW 84.55.010 and RCW 84.55.092 provide that the levy for a taxing district in any year must be set so that the regular property taxes payable in the following year do not exceed the "limit factor" multiplied by the amount of regular property taxes lawfully levied for such district in the highest of the three most recent years in which such taxes were levied for such district, or the highest amount that could have been levied in any year since 1985, plus an additional dollar amount calculated by multiplying the regular property tax levy rate of that district for the preceding year by the increase in assessed value in that district resulting from: (i) new construction; (ii) increases in assessed value due to construction of wind turbine, solar, biomass, and geothermal facilities, if such facilities generate electricity and the property is not included elsewhere; (iii) improvements to property; and (iv) any increase in the assessed value of state-assessed property; and

WHEREAS, RCW 84.55.005 provides that the limit factor for taxing districts with a population equal to or greater than 10,000 is the lesser of 101% or 100% plus the rate of inflation, which inflation rate is calculated by the Washington State Department of Revenue based on the percentage change in the implicit price deflator for personal consumption expenditures for the United States as published for the most recent twelve-month period by the bureau of economic

analysis of the federal department of commerce by September 25th of the year before the taxes are payable; and

WHEREAS, the Board attests that the population of the District is more than 10,000; and

WHEREAS, the Washington State Department of Revenue has determined that the rate of inflation for property taxes to be collected in 2021 is 0.602%; and

WHEREAS, RCW 84.55.0101 provides that, if the rate of inflation is less than 1%, upon a finding of substantial need, a taxing district may provide for the use of a limit factor of up to 101% if the amount exceeding rate of inflation is approved by resolution of the Board by super majority vote of the Board (no fewer than four members voting in favor); and

WHEREAS, the highest amount of regular property taxes that the District could have levied in 2019 for collection in 2020 was the amount of \$2,415,023.09; and

WHEREAS, RCW 84.69.180 and RCW 84.68.040 authorize taxing districts to levy a tax on the taxable property of the district for the purpose of (i) funding property tax refunds, including interest, as ordered by the county treasurer or county legislative authority within the preceding twelve months; and (ii) reimbursing the taxing district for taxes abated or cancelled within the preceding twelve months; and

WHEREAS, the Snohomish County Treasurer has reported to the District that the amount of the refunds for the District's regular levy for collection in 2021 is currently estimated to be \$13,237.56; and

WHEREAS, the Board, in the course of considering the budget for calendar year 2021 reviewed all sources of revenues and examined all anticipated expenses and obligations; and

WHEREAS, the Board has met and considered all relevant evidence and testimony presented with respect to its budget for the calendar year 2021; and

WHEREAS, the Board has determined that there is substantial need to increase the regular property tax in the amount of 101% in order to provide sufficient funds to carry out its budget for 2021; NOW, THEREFORE,

BE IT RESOLVED by the Board of Commissioners of Public Hospital District No. 2, Snohomish County, Washington, that:

Section 1. Finding of Substantial Need. Pursuant to RCW 84.55.010 and 84.55.0101, the Board hereby finds that there is a substantial need to adopt a limit factor in the maximum amount permitted by law. The Board hereby adopts a limit factor for the District's regular property tax levy for calendar year 2021 of 101% of the highest amount of regular property taxes levied by the District in the highest of the three most recent years, or the highest amount that could have been levied in any year beginning in 1986, plus an additional dollar amount calculated by multiplying the District's regular property tax levy rate for the preceding year by the increase in assessed value in the District resulting from new construction; construction of electricity-generating wind turbine, solar, biomass, and geothermal facilities, whether classified as real or personal property; improvements to property; and any increase in the assessed value of state-assessed property.

Section 2. Approval of Budget. The Board hereby approves and adopts the 2021 Legal Budget as the budget for the District for calendar year 2021.

Section 3. Approval of Regular Property Tax Levy. The Board hereby approves and adopts a regular property tax levy in the amount of \$2,429,561.53, which is an increase of 0.602% over the amount levied in 2020, or such amount as is determined to be accurate by the Snohomish County Assessor's Office, plus such actual increase as is calculated by multiplying the increase in assessed value in the District resulting from new construction, construction of electricity-generating wind turbine, solar, biomass and geothermal facilities whether classified as real or personal property, improvements to property, and any increase in the assessed value of state-assessed property, by the regular property tax levy rate of the District for the preceding year, plus such additional amount required for prior year refunds, which is currently estimated to be the amount of \$13,237.56. Should these calculations need to be adjusted for any reason in order to maximize the 2021 Levy in accordance with the authority provided in RCW 84.55.010 and 84.55.092, the Board authorizes the District Treasurer to do so in conjunction with the Snohomish County Assessor's Office.

Section 4. Banking of Capacity. Notwithstanding the fact that the Board has determined that there is a substantial need to adopt a limit factor in the maximum amount permitted by law, the Board has determined that it is in the best interest of the District to levy at a rate lower in 2021 than the maximum amount permitted by law and bank the remaining capacity for use in future years.

Section 5. Collection of Taxes. The Treasurer of Snohomish County, Washington, is hereby authorized and directed to collect and deliver on or before the fifteenth day of each month to the Treasurer of the District the sum of all taxes collected on behalf of the District during the preceding month together with a proper accounting therefor.

Section 6. Delegation of Authority. The Superintendent is directed to certify to the County Assessor, no later than November 30, 2020, a copy of this Resolution showing its adoption. The Superintendent and such other persons as the Superintendent may designate are hereby further authorized and directed to take all action and to do all things necessary to carry out the provisions of this Resolution.

ADOPTED AND APPROVED by the Board of Commissioners of Public Hospital District No. 2, Snohomish County, Washington, at a regular open public meeting thereof this 28<sup>th</sup> day of October, 2020, and the following Commissioners being present and voting in favor of the adoption of the resolution.

RESOLUTION NO. 2020- 09

A RESOLUTION of the Commission of Public Hospital District No. 2, Snohomish County, Washington, determining certain personal property to be surplus and no longer required for public hospital district purposes of the District and authorizing the Superintendent or his designee to sell all or any part of such property on a negotiated basis upon the most favorable terms and conditions obtainable or to otherwise dispose of such property, and ratifying prior actions.

WHEREAS, certain personal property of the District is no longer required for District purposes and the Commission wishes to dispose of such property in a lawful manner as promptly as reasonably possible; NOW, THEREFORE,

BE IT RESOLVED BY THE COMMISSION OF PUBLIC HOSPITAL DISTRICT NO 2, SNOHOMISH COUNTY, WASHINGTON, as follows:

Section 1. It is hereby found, determined and declared that all of the personal property identified on Exhibit A hereto is no longer required for public hospital district purposes and such property therefore is surplus. It is further found and declared to be in the best interest of the District that such property (the "Surplus Property") be disposed of promptly as hereinafter provided.

Section 2. The Superintendent or his designee is hereby authorized and directed to sell on a negotiated basis upon the most favorable terms and conditions obtainable all or any part of the Surplus Property as soon as reasonably possible. Any Surplus Property not thus sold shall be disposed of and removed from the premises of Swedish Edmonds Hospital at the direction of the Superintendent or his designee at the least possible cost to the District.
